## PROFILE

---

Detail-oriented and highly motivated **Full Stack Developer (MERN Stack)** with strong academic background and practical experience building **scalable, responsive, and real-time web applications**. Proficient in **React.js, Redux Toolkit, Node.js, Express.js, and MongoDB**.

Hands-on experience in developing **REST APIs**, implementing **authentication systems**, integrating **third-party APIs**, and designing modern, user-friendly interfaces. Capable of building complete **end-to-end applications**, deploying live projects, and writing efficient backend logic.

Passionate about continuous learning, writing clean and maintainable code, and developing **high-performance web solutions** that solve real-world problems.

## PROJECTS

---

### Virtual Voice Assistant (AI-Based Web Application)

- Developed a **real-time AI-powered voice assistant** using Speech Recognition and Text-to-Speech technologies.
- Built complete **MERN stack architecture** including frontend, backend, and database integration.
- Designed and implemented **RESTful APIs** for efficient data processing and command handling.
- Created responsive and modern UI using **Tailwind CSS** ensuring cross-device compatibility.
- Successfully deployed application on **Netlify** for live accessibility.
- Live: virtual-voice-assistant.netlify.app
- GitHub: github.com/ganjeliyajay/Voice-Assistant-In-MERN

## TECHNICAL SKILLS

---

**Frontend:** HTML5, CSS3, Tailwind CSS, JavaScript (ES6+), React.js, Redux Toolkit, Responsive Design

**Backend:** Node.js, Express.js, REST APIs, JWT Authentication, CRUD Operations, API Integration

**Database:** MongoDB

**Tools:** Git, GitHub, VS Code, Postman, Netlify, Render, Vercel

**Programming Languages:** JavaScript, Java, C, C++

## ACHIEVEMENTS

---

- Completed **JavaScript Algorithms and Data Structures Certification** from FreeCodeCamp.
- Participated in **2-Day MERN Stack Workshop** gaining hands-on practical exposure.

## EDUCATION

---

**Master of Science in Information Technology**

Present

Silver Oak University, Ahmedabad

**Bachelor of Computer Applications (CGPA: 8.95)**

2022 – 2025

Silver Oak University, Ahmedabad

**Higher Secondary Certificate (77%)**

2020 – 2022

Nilkanth Vidhayalay, Surendranagar
